# TESTIMONIALS

*"Scordio's team of supers, laborers, millworkers, and managers rise to the occasion time and time again delivering projects with incredible attention not only to construction details, but also to sensitive budget, and schedule issues. I can also remember the many times they have worked with our team to minimize a necessary change orders or help us find ways to not issue it at all!"*

**- Mergal** Architecture & Design

*"Scordio's work is always of incredible quality and they deliver it with the utmost integrity. The quality is spectacular, and Anthony's follow-through is one of a kind."*

**- JON STEINGART**

*"When asked for a contractor in New York, I never hesitate to recommend Scordio Construction, Inc. They are in my opinion the BEST contractor, particularly for the residential client."*

**BETTY WASSERMAN**

*"The people at Scordio are skilled craftsmen who do excellent work. In our interactions with them, they have impressed us with the caliber of their work and customer service."*
