CONSTRUCTION SERVICES

Project Management

We're a construction project management firm that oversees the organization, scheduling, budgeting, and implementation of every phase of construction.

Historic Renovations

Sites with historical significance are links to our past. As such, we treat them with tremendous professionalism and utmost care.

Custom Renovations

Attention to detail is the cornerstone of custom renovations at Scordio Construction. We do it all when it comes to residential renovations.

Service & Maintenance

Upon completion of your project, Scordio can facilitate the process of providing home maintenance services for you.

New Construction

New construction has been a proud deliverable of Scordio Construction since its inception. We have a proven track record of executing projects at the highest level.

Advisory

Scordio Construction provides construction advisory services to homeowners throughout the entirety of the construction process.

TESTIMONIALS

"Scordio's team of supers, laborers, millworkers, and managers rise to the occasion time and time again delivering projects with incredible attention not only to construction details, but also to sensitive budget, and schedule issues. I can also remember the many times they have worked with our team to minimize a necessary change orders or help us find ways to not issue it at all!"

- Mergal Architecture & Design

"Scordio's work is always of incredible quality and they deliver it with the utmost integrity. The quality is spectacular, and Anthony's follow-through is one of a kind."

- JON STEINGART

"When asked for a contractor in New York, I never hesitate to recommend Scordio Construction, Inc. They are in my opinion the BEST contractor, particularly for the residential client."

BETTY WASSERMAN

"The people at Scordio are skilled craftsmen who do excellent work. In our interactions with them, they have impressed us with the caliber of their work and customer service."
